

Mgenex Biosciences

Quality Products and Services at Affordable Price

Mgenex Biosciences, based in San Diego, is a leading provider of a broad spectrum of innovative products and customized services to our partners in the biopharmaceutical and research communities. Our commitment to you is to produce quality data to agreed timelines with expertise, flexibility, and to your total satisfaction. Our research and development efforts are focused on breakthrough innovations in all major areas of biological discovery, including functional genomics, proteomics, immunology, and cell biology.

SERVICES

PRODUCTS

Custom Baculovirus Services

Custom RT-PCR

Custom Peptide Synthesis

Custom SNP Detection

Custom Assay Design

Custom Gene Cloning

Custom Microarrays

Custom ELISA

Custom Ellispot

Custom Monoclonal Antibodies

Custom DNA Genotyping

Custom plasmid DNA

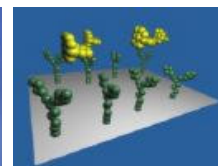

Custom Multiplex Beads Assays

Custom siRNA

Custom Protein ASSAYS

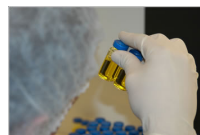

Elisa Kits

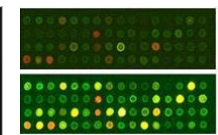

Phospho-Antibodies

Mammalian Expression

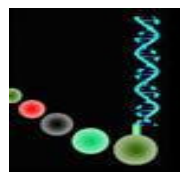

Products for Baculovirus Expression

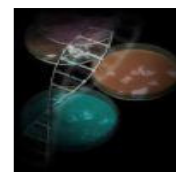

Products for Microarrays

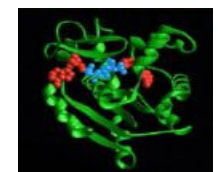

Products for RT-PCR

Multiplex Assays

Stable Cell Lines

Recombinant Proteins
